

A decorative graphic at the top of the page features a ribbon-like element with two bows, extending from the right side towards the left. On the left end, there are two stylized flowers, one above the other, with long, flowing petals. The word "Tontolín" is written in a large, bold, stylized font across the center of the ribbon.

Tontolín

DON ANTONIO PARA VICO

Distinguido poeta lorquino, director de "El Faro,"
y redactor de este semanario
