TODOS PARA UNO

Á los obreros del campo.

Á vosotros me dirijo, jornaleros del campo, los de encallecidas manos, rostro curtido, alma grande, espíritu varonil; á vosotros, que en invierno y en verano, con calor y con frío, trabajáis sin descanso al aire libre, afanosos é incansables, para que la tierra produzca el trigo que mitiga nuestra hambre, las frutas que endulzan nuestro paladar; á vosotros, los más abandonados de los obreros todos, los menos atendidos, los menos escuchados, los más necesitados; á vosotros, mendigos de la justicia, hambrientos de la moralidad.

Para vosotros expreso mi cerebro buscando palabras, que en mi escasez de conocimientos no encuentro, bastantes á llevar el convencimiento á vuestros corazones, capaces de haceros comprender mi deseo, mi anhelo de inculcar en vuestras almas el cariño, rayano en idolatría, que á la asociación tengo, que por las sociedades obreras siento.

Y desearía conseguir este mi honrado propósito, porque tengo la convicción, la seguridad, de que únicamente asociados, podremos los obreros realizar el mejoramiento de nuestra situación angustiosa, la regeneración de nuestro pueblo, la abolición completa del caciquismo, la instauración del reinado de la verdad y la justicia y la moralidad.

Es necesario que, abandonando por completo la rutinaria sumisión que al amo os tiene sometidos, que rompiendo en un vigoroso arranque de enérgica dignidad las cadenas que os tienen aprisionados al carro del caciquismo, seáis con nosotros, adalides decididos de las reivindicaciones obreras, defensores esforzados de nuestros derechos pisoteados, soldados invencibles de los gloriosos ejércitos de la libertad y el progreso.

Y es necesario, porque de continuar así, aislados, separados, la marcha política de la Nación espa-

ñola, que se halla al final del camino de la bancarrota y la desaparición; la Nación española, un tiempo reina y señora del mundo, hoy á merced de los caprichos de algunas otras más que ésta afortunadas, de la ambición de políticos sin conciencia y sin patriotismo, ~~de la explotación y~~ ~~dominación por parte de la~~ ~~burguesía y~~ ~~de la~~ ~~ambición~~ ~~de~~ ~~los~~ ~~políticos~~
